VIRTUAL MAGICIAN & MIND READER

Paul Fowler Virtual Magician is an award winning professional, providing virtual entertainment via live video call direct to your home or office. Paul's virtual entertainment packages are perfect for at home milestone celebrations and parties, as well as virtual corporate conferences and meetings. Paul has created the perfect blend of live virtual magic & mind reading. He will share his incredible virtual skills, leave you constantly guessing and will create memories that will last for years to come.

How it works

Paul's show starts with virtual housekeeping with information on how to best view the show virtually. Throughout the show Paul will use 2 forms of interaction, one via the chat facility and the other by interacting with individual screens (these screens can be specified before the show). The show is suitable for all ages and a couple of the tricks allow everyone watching to take part interactively and collectively all at once. This means screens that do not get to interact individually still get to take part. There are no restrictions on screen numbers. Paul has performed shows for as little as 2 people and for as many as 500.

Guests can expect to

- Create a dream holiday in their mind and Paul will have predicted this in advance
- Be influenced virtually to make decisions that feel completely free
- Name a playing card and that exact card is the only one Paul has been holding all along

Fully immersive, this programme will take you from 1100 (that's the year, not the time) to the present day in an hour. But, fear not, they'll be plenty of stops along the Gin highway for sampling!

Apart from the chance to taste several examples of Gin taken from all over world, we will demonstrate both classic and modern ways to serve it, be it the perfect G&T, a classic Gin Martini or a modern Gin Cocktail.

To ensure you've learned all we can teach you, you'll be set a range of tasks - we'll put your taste buds to the test & have a Gin trivia quiz running between samples.

If you're not the biggest Gin drinker, or concerned one of your group may not be, we have enough treats to keep them interested, and after this event, they may well become a fan!

All gins and a tonic will be sent out to participants prior to the events date so you won't need to provide anything additional to participate other than the glass of course!

The 5 gins we generally recommend are: an industry standard London Dry Gin, high end London Dry Gin, an 'Old Tom' Gin (sweeter than London Dry Gin), an international Gin with bespoke botanicals and a flavoured Gin.
